**SAFETY**

Replaces crutches, which can be unstable, difficult to use and can increase the chance of re-injury. The Knee Scooter is a stable base, easy and enjoyable to use. Suitable for all ages.

**COMFORT**

Fully adjustable for comfort. No more sore armpits and arms caused by using crutches.

**INDEPENDENCE**

Lightweight and compact, the Knee Scooter makes it easy to manoeuvre around the home, office, restaurants or shopping with friends. The Knee Scooter can get you there with ease, even in tight spaces.

**FASTER RECOVERY**

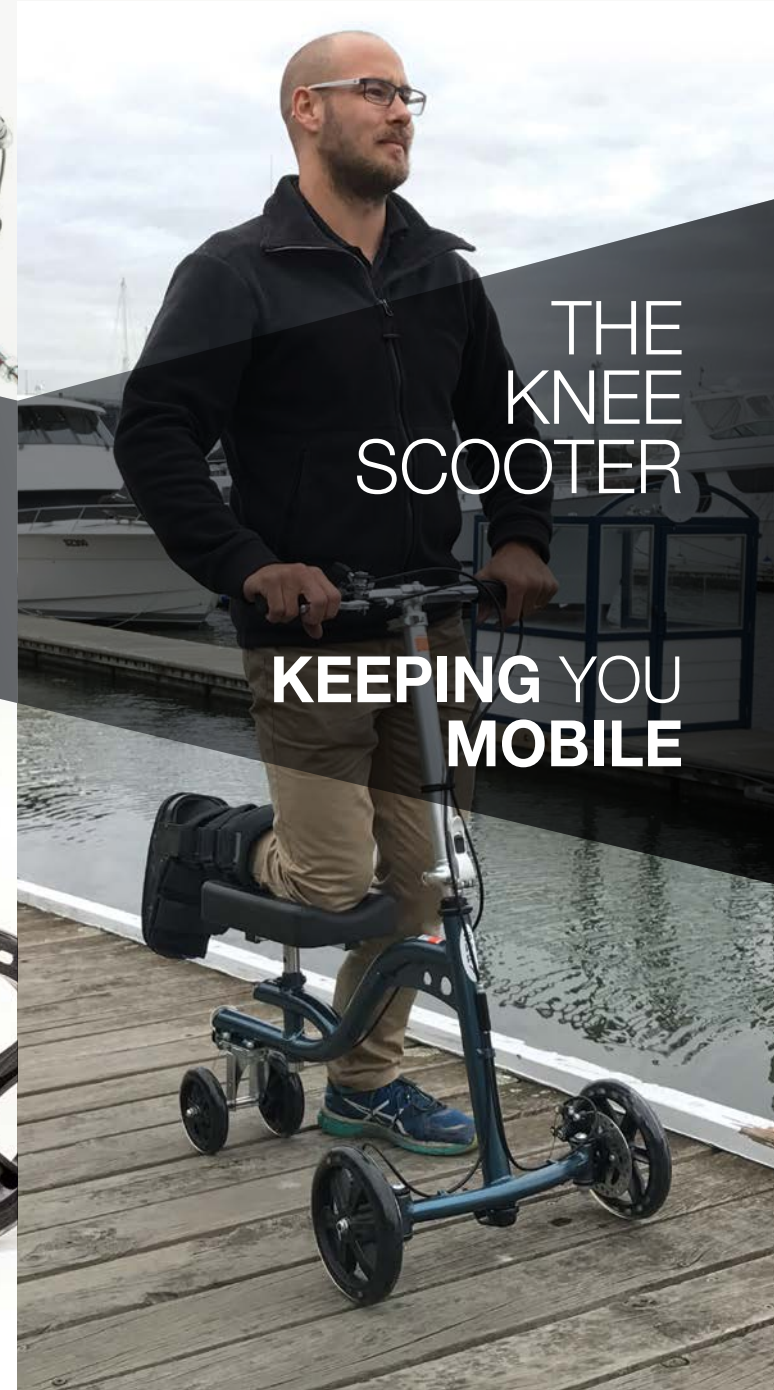

Improves mobility and optimises independence in the community and at work.
